Call to Order

The meeting was called to order at 11:05 am EST by D. Ege.
Discussion

- The next meeting was scheduled for Thursday, December 8, 2005 at 2:30pm EST.

- The committee asked the National Office to prepare a Member Contact List to send to everyone. It was decided that the committee members would ‘reply to all’ and copy K. Price on all correspondence.

- Every member will check with a seasoned officer in their state to see if they could join the next meeting in order to provide input.

- Goals of the committee:
  - Supervision of sex offenders with priors – how do we supervise them?
  - Sexual violent predator law – what needs to be included in the transfer request?
  - Look at current rules regarding reporting instructions and retaking. Do we need sex offender specific rules in these areas?
  - Judgment and Commitments (J&C’s) – new rule eliminates this document from the transfer request. We may need to reconsider language specific to sex offenders since most states need this document to determine if the offender is required to register in the receiving state.
  - Banishment laws recently passed by counties and states
    - This needs to be on the forefront of the committee.
    - A rule needs to be implemented in order to trump what a state can do regarding banishment.

- D. Blackburn discussed his upcoming Washington D.C. trip and the Bill that is before the Senate on the National Sex Offender Registry. D. Blackburn has asked Softscape to set up a module that the states can purchase in order to comply with the law. In essence this would piggy back what we already have in place with NACIS.

Adjourn
