Purpose

This Committee is directed to study the ICAOS victim notification process and performance and make recommendations on how to improve the process and performance so all registered victims are notified when their offender relocates to another state or the status of the offender changes.

I. SAVIN/IEPD Update (National Standard for Victim Notification)

II. Review survey results

III. Discuss findings

IV. Determine if survey should be modified and launched to national victim organizations

V. Outline steps for drafting victim notification rule to submit to National Commission

VI. Adjourn
