Genie Powers, Chair of the Committee, called the Training, Education and P.R. Committee to order at 2:05 p.m. (EST). Following introductory remarks, Powers called for a roll call of members. 6 of 6 members were present, establishing a quorum.

Powers briefly reviewed the draft minutes from the March 25, 2003 meeting and called for a motion to approve the minutes. A motion was brought by Hyde, seconded by Schamer and the minutes were approved unanimously.

Powers called for updates of the various workgroups: newsletter, speaker bureau, promotional brochure, state training curriculum and outreach.

Blackburn provided an update of the new Commission newsletter. He reported that although many solicitations for articles have gone out, only one state, Connecticut, has responded. Additional efforts are underway to solicit articles for the first issue of the newsletter. Submission deadline is May 15, 2003.

Powers reported on the speaker bureau; the Commission has received no additional requests since our last meeting.
• Hyde had nothing new to report regarding the development of a promotional brochure for the compact and Commission. Additional information will be available at the June 2003 meeting. Hyde also requested that CSG production staff be on hand to discuss the layout of the brochure.

• Powers had nothing new to report on state training curriculum and noted that it cannot be developed until the Rules of the compact are in place; additional discussion on the topic will take place at the June 2003 meeting.

• Powers reported that Kermit Humphries with NIC is conducting outreach on behalf of the Commission to the National Center for State Courts and developing relationships with the Judiciary. A more detailed report will be made at the June 2003 meeting.

• Powers called for new business. No new business was brought forwarded.

• Powers reminded the group of the next meeting – June 5 & 6, 2003 in Lexington, KY.

• The Training, Education and P.R. Committee adjourned at 2:30pm (EDT).
