Present: Brian K. Murphy (Acting Commissioner, Compact Administrator – DOC), Semona Childs (Deputy Compact Administrator-CSSD), John Defeo (Parole Manager, BOPP), Tami Ford (Interstate Coordinator, CSSD), Lynn Milling (Director, DOC), Steve Strom (Assistant Attorney General, Office of the Attorney General), Donna Cupka (DOC, Minutes).

Welcome
Commissioner Murphy called the meeting to order at 9:25 A.M. and welcomed members.

Council Election: Deputy Compact Administrator
Following nomination by Steve Strom and a seconded motion by Lynn Milling, John Defeo, Parole Manager from the Board of Pardons and Paroles was unanimously elected as the Deputy Compact Administrator. He replaces DCA Tracy Johnson, who has moved on to new responsibilities with the BOPP. Tracy’s contributions to the council were noted, and John was welcomed as the new DCA.

Acceptance of Minutes
Lynn Milling’s motion to accept the minutes of the September 28, 2009 meeting was seconded by Steve Strom and the minutes were accepted into the record.

Commission Correspondence
No written correspondence has been received. The following electronic updates were received from the National Office:

The ICOTS Public Web Portal became operational on March 1, 2010. This website offers the public the ability to view some very basic information about offenders that have been reported in the receiving state.

Per the National Office, the first round of rule compliance audits will begin this month.

Update from Deputy Compact Administrators
DCA Semona Childs gave an overview of the Annual Business Meeting, which was held November 2-4, 2009 in Reno, Nevada.

Connecticut is one of the only states not charging a transfer fee. Semona Childs will pull up old legislation regarding this matter for future consideration by the council.

The East Region Meeting is scheduled for April 22, 2010. John Defeo, Tami Ford and a new staff from the CSSD Interstate office will participate. DCA Defeo will provide an update at the next council meeting.
**Discussion**
Steve Strom offered probable caused training to CSSD. John Defeo offered training on hearings, and is scheduled to meeting with Parole and Community Services staff to go over protocol for Interstate Office investigations in the field.

The judges’ training scheduled for June would offer a good forum for training in ICAOS procedures. If this training could be expanded to include the State’s Attorney’s and Chief Public Defender’s Office, training in ICAOS rules and procedures could be addressed with all participants in a single venue. Council members will work together to follow up on this matter.

**Next Meeting**
The next meeting will be June 17, 2010, at the DOC Central Office Café 24 Conference Room.

**Conclusion**
Commissioner Murphy thanked participants and adjourned the meeting at 10:30 A.M.
