I. Call to order

Chair Hines called to order the meeting of the State Council for Interstate Adult Offender Supervision at 2:00 p.m. on Tuesday, April 23, 2013 in conference room 300 of the DOC Admin Bldg.

II. Approval of minutes from last meeting

Minutes approved as written.

III. New Business

- Hines stated that the 2013 Annual Business Meeting will be held in Boston. The primary issue to be addressed is re-taking of offenders. A number of states are debating whether it is worth the cost to bring offenders back and, as such, there has been an increase in the number of cases being dismissed by the originating state.
• Pini distributed ICAOS Advisory Opinions 1-2013, and 2-2013 to the members of the Council. Both decisions regarded re-taking. The impact of these opinions was discussed among the Council Members.
• Hines presented copies of §4177 regarding penalties for driving under the influence. A discussion was held regarding language that could be interpreted differently due to its vagueness.

IV. **OLD Business**

- Pini informed the Members that the victim notification letters were now being sent to notify victims when the offender is being transferred out of state and informing them to complete the contact information form if they want to be kept aware of the offender’s movement. Additionally, the VINES e-mail link is being sent in lieu of the VINES brochure.

V. **Adjournment**

Chair Hines adjourned the meeting at 2:45 pm.
