The Indiana State Council for Interstate Adult Offender Supervision met at the Indiana Judicial Center in Indianapolis, Indiana on June 13, 2011.

1. **Members present.** The following members of the State Council were present: Jane Seigel, Executive Director of the Indiana Judicial Center; Steve Johnson, Executive Director of the Indiana Prosecuting Attorneys Council; Mark Massa, Executive Director of the Indiana Criminal Justice Institute; Joseph Zakas, Indiana State Senator; and Laura Berry Berman, Indiana Coalition Against Domestic Violence.

2. **Staff present.** Jenny Bauer and Bob Champion provided staff assistance to the Committee.

3. **Approval of minutes.** The minutes from the July 2010 meeting were approved.

4. **Proposed amendments to Interstate Compact rules.** Jane Seigel reported that she was appointed as a member of the Rules Committee for the Interstate Commission. She distributed copies of the proposed rule amendments to the State Council members and reported that the proposed rule amendments for 2011 were proposed by standing committees or regions. Ms. Seigel stated that the public comment period ends on July 1st and the Rules Committee is scheduled to meet later in July to review the comments and vote on the rules to recommend for passage by the Commission. The State Council members reviewed the proposed amendments and made comments on several rules. On Rule 3.101-4 regarding “complete transfer”, the members commented that it does not seem legal to transfer cases across state lines and the rule should be opposed. On Rule 3.107 regarding “transfer request”, the members commented that they generally support the rule, but the 30 day time-frame to send conditions of probation to the receiving state is too long. On Rule 3.101-3(d) regarding “transfer of sex offenders”, the members commented that it is a good idea for the receiving state to help returning residents find housing if the offender lives in an exclusion zone. On Rule 1.101 regarding the definition of “violent crime”, the members commented that the language addition would exclude drug offenders where the offender was carrying a firearm and that hunting offenses should be specifically excluded if that was the intent of the amendment.

5. **2011 ICAOS Annual Business Meeting.** Jane Seigel reported that she will attend the Interstate Commission’s Annual Business Meeting in Montgomery, Alabama on September 12-14.
6. **Juvenile Compact Update.** Jane Seigel reported that Indiana will become the newest member and the 47th state to join the Interstate Compact for Juveniles as of July 1st. She stated that the legislature passed the new Juvenile Compact legislation as part on HEA 34. Ms. Seigel informed the members that she may convene a meeting of the State Council in August to discuss the proposed changes to the Juvenile Compact rules.

7. **Other Business.** Jane Seigel reported that Indiana’s compact offices were audited by the national office and received grades of A and B. The national office conducts re-audits for areas with a C grade, so Indiana will not have an audit next year.
