Welcome and Introduction

The State Council was happy to welcome the Honorable Joseph Burke is from 15th District Court in Ann Arbor. Judge Burke was appointed by Governor Snyder to replace the Honorable William E Collette of Mason. Commissioner Rubitschun also introduced the new Deputy Compact Commissioner Joseph Beaman who assumed the duties of Don Matson in February 2014.

New Business:

The new rules voted on at the 2013 Annual Business meeting were shared and discussed by the members. Electronic copies of the 2014 rule book and bench book provide to all council members. Commissioner Rubitschun discussed the repeal of Rule 5.103-2 and Advisory Opinion 1-2014.
Concern was expressed by Keith Clark regarding the issuance of mandatory nationwide warrants for probation cases by some courts. Mr. Clark indicated that he has found in some cases when the court is required to issue an NCIC nationwide pick up warrant due to a probation violation the local sheriff department is reviewing the warrant request and if the underlying offense falls under certain types changes the warrant to adjacent states only in direct violation of the compact. This practice also then created issues with the retaking process as in some cases the sentencing county will not pick up their offender.

Commissioner Rubitschun asked DCA Beaman the status of the application fee increase that was recommended and ratified by the council in 2012. DCA Beaman reported that the process was never completed and currently a memo had been sent to Deputy Director Sinclair for approval.

Closing:
In closing, the State Council requested that follow up be completed within 90 days regarding the MDOC’s implementation of increasing the application fee to $200 for probation and parole cases, due to the original State Council recommendation to increase the fee was made in 2012 was intended to allow for all Parole and Probation cased that fall under the “Mandatory Retaking Rule” be transported without issue.

Meeting adjourned at 3:30 pm.
