INTERSTATE COMMISSION FOR ADULT OFFENDER SUPERVISION (ICAOS)

  - ICAOS Updates
    - There were two formal complaints involving Minnesota that were discussed. One of them Minnesota filed against Alaska as Alaska refused to accept a mandatory acceptance case. Minnesota did prevail in this case. The other was filed by the State of Oregon against Anoka County in regard to Anoka County discharging an offender instead of returning the offender when a mandatory retaking rule had allegedly by invoked. Minnesota prevailed on this one as the receiving state did not properly check the correct box and Minnesota did not have to return/retake the offender.
    - The Council discussed the Legislative Initiatives and a handout was provided.
    - Copies of the new ICAOS rules were provided to all council members.
