10:00 am – 12:00 am

Those in attendance: Mr. Stephen King, Mr. Michael Downey, Ms. Jill Carlson, Mr. Jim Early, Ms. Midge Christianson, Ms. Mical Peterson, Mr. Randy Hartnett, Ms. Rose Ann Bisch, Mr. Ron Solheid

Mr. Stephen King called the meeting to order.

The June 3rd, 2013 minutes were approved with one change.

UPDATE ON THE NATIONAL CRIME VICTIMS GROUP
- The new victim notification system was discussed. There appear to be issues with the data practices. More information should be available for the next State Council Meeting. Ms. Christianson asked about the entry point of offenders and when this will be done when an interstate case is accepted. At this point we do not know when these offenders will be entered and by whom.

- There is a workgroup being formed to deal with restitution. This workgroup will focus on those who are under transfer and how they are being held responsible with paying their restitution.

INTERSTATE COMMISSION FOR ADULT OFFENDER SUPERVISION (ICAOS)
- ICAOS Updates
  - The Annual Business Meeting was held in Boston this year. The rules that were discussed at the last State Council meeting were voted on. The new rules will go into effect on March 1st, 2014.
  - Ms. Suzanne Elwell was awarded the Peyton Tuthill Award.
- 2013 Rule Amendments
  - The Misdemeanant Rule was voted down. There were a lot of issues with the removal of transferring misdemeanants. Dangerous offenders would have been allowed to move without an approved plan causing a lot of victim issues.
  - The Violent Offender definition was removed along with the violent offender one significant violation rule.
  - The Veterans Rule passed with a vote of 46 to 6. This allows Veterans to transfer for treatment/medical reasons.
• The Timelines were changed. Everything in the rules that is less 30 days is now written business days and everything 30 days and over is now written as calendar days.
  • Judicial Retaking Handout
    • Rose Ann Bisch is working in getting the new retaking handout to the courts, judges, law enforcement, etc. Both the retaking and violation handouts will need to be revised when the new rules go into effect March 1st, 2014.
