UPDATE ON THE NATIONAL CRIME VICTIMS GROUP

○ VINEWatch is still a very new system. Minnesota has been going through a planning process to decide how to implement VINEWatch and to determine what will work best for Minnesota. While there has been a lot of training on how VINEWatch works there has been no discussion with each state on how they intend to implement the program. There is concern of who will enter the victim information. Right now Minnesota does plan to go forward with using VINEWatch.

INTERSTATE COMMISSION FOR ADULT OFFENDER SUPERVISION (ICAOS)

• ICAOS Updates
  ○ The ICAOS Annual Business Meeting was held in Oklahoma City in August this year.
    ▪ This was not a rule voting year.
    ▪ This year was the DCA Academy
    ▪ It was a pretty quiet year at the Meeting.
      • California is now in compliance and the federal lawsuit against them has been resolved.
- Kansas has issued a Corrective Action Plan is regard to discharging a case rather than returning the offender on violations.
- Minnesota is currently out of compliance on Progress Reports. Rose Ann Bisch and Jill Carlson have gotten information out to the Supervisor’s in Minnesota in regard- to this issue. Minnesota is compliant - in all other areas.
  - There was a lot of training at the Annual Business Meeting.
  - Jill Carlson is retiring on October 1, 2014. Minnesota will be getting a new Adult Commissioner.

**New Business**

- None

**Old Business**

- The State Council wanted to discuss returning an offender while new charges are pending again.
  - Per the compact, an offender is not available for retaking while new charges are pending in the receiving state. It was also discussed that Minnesota will not hold an offender indefinitely on pending charges.
  - Per MN Statute if Minnesota issues a warrant on an out of state offender, once that offender is picked up, a probable cause hearing must be held within 12 days. If no probable cause is found the offender must be released within 24 hours.

**Questions and Open Forum**

- The Council wanted to know if Rose Ann Bisch was anticipating a lot of rule proposals for both the Adult Compact and the Juvenile Compact at the next meetings.
  - As the Chair of the ICJ Rules Committee Rose Ann reported that there will be several proposed rule changes in 2015
  - Since Rose Ann is not the adult commissioner she is not able to participate on the Rules Committee so it is unknown what if any rules are being proposed for 2015.
- Suzanne Elwell wanted to thank the Legislature for attending the meeting today.
- Rose Ann Bisch also wanted to thank everyone for participating in the State Council. Some states do not have Councils that are as active or represent their states as well as the Minnesota State Council.

**Schedule Next Meeting**
The State Council discussed having the next meeting sometime between when the rule proposals come out and before the next Adult Business Meeting.
