
(a) Notwithstanding any other provision of law, the board of probation and parole may require, as a mandatory condition of release for any person convicted of a sexual offense as defined in § 40-39-301 (2), that any person so released under its supervision be enrolled in a satellite-based monitoring program for the full extent of such person's term of probation or parole, consistent with the requirements of § 40-39-302.

(b) The board of probation and parole may require, as a mandatory condition of release for any person convicted of a serious offense as defined in this chapter or for such other offenders as the board deems appropriate, that such person be enrolled in a satellite-based monitoring program for the full extent of such person's term of probation or parole, consistent with the requirements of § 40-39-302.

(c) Offender participation in a location tracking and crime correlation based monitoring and supervision program under this section shall be at the sole discretion of the board and shall conform to the participant payment requirements stated in § 40-39-304, and be based upon such person's ability to pay.
