**Staff**

Jo Lynn Kruse, Tom Patterson

**Item:** Welcome and Approval of Minutes

**Notes:**

Leo Lucey opened the meeting and welcomed everyone. Leo noted that a correction to the October minutes needs to be made. Under the heading Interstate Compact Database, change the word State to National Compact Commission. Tom Patterson made the **motion** to accept the October minutes as amended. Leo Lucey seconded the motion and it **passed unanimously**.

**Item:** Full State Council

**Notes:**

The statute regarding who should serve on the Interstate Compact Council, statute says: While each member state may determine the membership of its own state council, its membership must include at least one representative from the legislative, judicial, and executive branches of government, victims groups, and compact administrators.

Leo Lucey gave a brief history of the Interstate Compact and the purpose of the council. The Compact (which is Federal) was formed in 2002 because of some violent offenders moving throughout the country unsupervised. There were a few high profile cases that occurred. The Interstate Compact Commission meets annually and is a nationwide systemic way to track movement of offenders. Utah’s Interstate Compact Council meets quarterly. The State is subject to major fines for violations. The State is civilly liable and subject to sanctions imposed by the National Compact Commission.

There are three significant violations that may occur, in which our state is required to bring back the offender, whether or not they have committed a new crime. Those are: three consecutive dirty urine tests, not reporting, and failure to comply.

**Item:** Statewide Training for Courts and Prosecutors

**Notes:**

**Action Items:**
