I. CALL TO ORDER – RECOMMENDATION
Bernie Warner, Secretary, called the meeting to order at 12:15 p.m. In anticipation of Scott Blonien’s departure as the current Washington State Commissioner for Commission for Adult Offender Supervision (ICAOS), Secretary Warner submitted his recommendation that the council consider electing Community Corrections Assistant Secretary Anmarie Aylward.

II. DISCUSSION

Current Commissioner Scott Blonien asked the Council if there were any questions for Anmarie Aylward prior to the Council vote.

Senator Hargrove expressed his concern over the higher number of offenders that Washington State currently receives on interstate compact in comparison to the number of offenders the State transfers to other states. Anmarie Aylward responded that she was aware of the disparity as she has been working with the current commissioner. At next week’s Annual Business Meeting, this is one of the issues that are being discussed and a vote will take place to change rules that will address this concern.
Representative Pearson asked Anmarie if there were other issues she was considering in anticipation of this role. Anmarie indicated that she was exploring the rules surrounding sex offenders, institution of new fees related to interstate compact applications and the continued collaboration with other states.

Jude Eitzen expressed interest in reviewing the numbers of offenders on interstate compact. Anmarie indicated she would be happy to arrange a presentation to the Superior Court Judges’ Association (SCJA).
