New Business

Emergency Full Commission Meeting: Chair J. Stromberg (OR) reminded the committee about the upcoming emergency full Commission meeting scheduled for April 21, 2020. At the meeting, the Commission will vote on new Rule 2.111 granting the Executive Committee discretion to suspend enforcement of Commission rules or parts thereof during an emergency or crisis. The new rule requires states to define the authority for their suspensions and should promote a return to normalcy as quickly as possible. He added that members would still be obligated to perform all the duties required by the Compact.

The new rule will allow the Commission to act in advance when a crisis occurs. He noted that should the Commission not pass this rule, enforcement as outlined by the Commission prevails and states will be held accountable regardless of the crisis at hand.

The committee reviewed the emergency meeting’s agenda.

Discussion

Compliance Committee Report: Commissioner A. Godfrey (MN) informed the committee that the Compliance Committee met on April 13. The committee discussed compliance dashboard indicators and the importance of considering a state’s emergency situation before making any compliance decision. The committee made a recommendation to the Executive Committee to temporarily suspend enforcement of compliance dashboard indicators.

He added that currently a handful of states were working through a corrective action plan (CAP). The committee expects the states to continue with their CAPs and would monitor their compliance taking into consideration the current pandemic situation.

Commissioner D. Crook (VT) moved to temporarily suspend the dashboard compliance indicators until further notice. Commissioner C. Moore (GA) seconded. Motion passed.

Executive Director A. Lippert noted that the national office continued to monitor the indicators and Commissioners will still be receiving the compliance dashboard emails on quarterly basis.

Executive Director A. Lippert reminded the committee about the U.S. Virgin Islands' compliance status. The Executive Committee approved the territory’s CAP at its last meeting. The Virgin Islands paid their dues and indicated they would remit the payment for their interest fee. If the payment is not received by May, the issue will be brought back to the Executive Committee.

DCA Liaison Committee Report: DCA T. Hudrlik (MN) stated that the DCA Liaison Committee met on April 5 with the large part of the meeting being devoted to COVID-19 discussions. Since the beginning of the crisis, the DCA regions started meeting on a regular basis, some meet every week, and others meet every other week or monthly. All regions were in agreement that it was important to document activities in ICOTS, even if a transfer request cannot be completed.
The committee also discussed the new rule amendments that went into effect on April 1. No issues have been reported so far. She noted that the COVID-19 crisis has overshadowed the new amendments release and implementation.

At the last meeting, the committee decided to send out a survey asking subscribers, if they want to continue receiving the DCA Quarterly newsletter, their recommendation on newsletter’s publishing frequency, and their opinion on current and suggestions for new segments. The committee decided to postpone sending it out until after the end of quarantine.

The committee will meet again in June.

*Finance Committee Report:* Commissioner G. Roberge (CT) stated that the Finance Committee met on March 17. The committee reviewed the FY21 budget and recommended adoption of the FY22 budget. The Executive Committee will vote on the FY22 budget at its next meeting.

He added that currently, the Commission was 75% into the fiscal year and at 67% of spending. A big part of these savings came from cancelled face-to-face Executive Committee and Rules Committee meetings.

Commissioner G. Roberge (CT) stated that his biggest concern was the Commission’s Vanguard account that went down 9% due to the pandemic.

*Technology Committee Report:* Commissioner C. Moore (GA) stated that today was the deadline to submit an ICOTS enhancement proposals. New rule amendments went into production in ICOTS on April 1. To date, no bugs have been reported.

*Rules Committee Report:* Commissioner M. Hudson (IN) stated that the Rules Committee met on April 7 and had a long discussion on warrant timeframes as outlined in ICAOS Rules. The committee agreed there was a conflict in the rules with respect to the return of offenders to sending states, and the sending state’s timeframe to obtain a warrant for failure to appear in that state. The timeframe in Rule 5.101(a) approved at the 2019 ABM was in conflict with Rule 4.111 (f) for the same action. At the end of the discussion, Commission M. Hudson (IN) requested Legal Counsel T. Travis to prepare a legal analysis on a likely textual outcome in the event of dispute between these two rules.

The Rules Committee will meet again in July to review the legal counsel’s recommendation and discuss the West Region’s concept for managing domestic violence offenders.

*Training Committee Report:* Commissioner J. Lopez (WI) noted that the Training Committee had not met since the last Executive Committee meeting. She added that last week, the national office offered a webinar on *Interstate Compact Response to COVID-19*. The webinar provided information on AP 01-2020 Emergency Guidelines Policy, expectations during the pandemic, compliance concerns, rule timeframes, and state actions impacting the Compact. The national office posted a copy of the webinar’s recording on the Commission’s website. The webinars were well attended. The national office could not confirm the attendance of the following states: DE, MD, MT, NY, VI, VT, and WV.
*East Region Report:* Commissioner D. Crook (VT) stated that the East Region met in January and would meet again on April 28.

*Midwest Region:* Commissioner R. Marlan (MI) stated that the Midwest Region was scheduled to meet on May 6.

*South Report:* Commissioner J. Kempker (MO) stated that the South region met on February 6. The region will meet again on May 13.

*West Region Report:* Commissioner R. Cohen (NM) noted that the West Region was scheduled to meet on April 23. The region will discuss how they deal with the pandemic limitations in their states. The West Region DCAs met on regular basis to discuss problems and solutions in this difficult time.

*Executive Director Report:* Executive Director A. Lippert presented her report to the committee:

- Florida and District of Columbia were still working on their state council membership.

- The national office is working on a new state council reporting and tracking tool and will launch it by the end of the year.

*Commissioner M. Hudson (IN) moved to approve the personnel policy as amended. Commissioner C. Moore (GA) seconded. Motion passed.*
